THE WOODS OF COLOROPOLI ARE THE GREEN **YELLOW** LUNGS OF THE CITY. IT'S A PLACE THAT'S PERFECT FOR TAKING LONG WALKS IN THE SHADE OF THE RUCOLONA BUT BE CAREFUL NOT TO FALL PREY TO THE FEARSOME YELLOW WOLF: IT'S NOT FIERCE, BUT IF IT STARTS WITH ALL THE STORIES ABOUT ADVENTURES WITH LITTLE YELLOW RIDING HOOD, GRANDMA, THE 3 LITTLE PIGS, THE 7 YOUNG GOATS, THE LAMB, THE SHEEP, THE CRANE, THE STORK AND THE FOX, YOU'LL NEVER GET AWAY.
